KERAMOTI BASE INFO

CHECK IN TIME: 17:00

|

CHECK OUT TIME: 09:00

Important: The boat must be back to the base one day before disembarkation till 18:00 (our team is going to wait for you in the port till 20:00)

Before the charter

Please make sure you have shared your **sailing license** and **valid crew list** with us, in order to have everything ready for you on the spot and avoid delays. Not having the crew list **till 2 weeks before the charter** may even cause embarkation on the next day. It is also important for us to know the expected arrival time.

To the base before embarkation

Please come directly to our office or call the base manager before your arrival to arrange a meeting in the office. Arrange all extras to be paid on the spot and follow instruction regarding your embarkation.

Documents required at check in

- Booking confirmation/boarding pass
- Passport or ID of all crew members
- Skipper license

Damage waiver

At check in you will be asked to pay for the damage waiver, which limits your liability in case of damage or loss to the paid non-refundable amount. The amount depends on the boat, and you have it noted in your booking confirmation. Payment of damage waiver and reduced security deposit will be accepted in cash or by bank transfer to Northsailing

Other useful things to know:

Charter party: At check in you will be asked to sign the charter party, as legally required by the Greek port authorities. Before you leave the port, it needs to be stamped, along with the correct crewlist filled and valid sailing license.

Fuel tank: You will receive the yacht with all fuel tanks full. At the end of the charter, returning to the port the yacht's fuel tanks will be refilled (including gasoline tank for outboard) and you will be charged for the respective amount.

Water tank: You will receive the yacht with full water tanks.

Yacht inventory: A full guide of the yacht will be delivered to you via link before your charter. NorthSailing team will guide you to see alone inventory of the yacht and then come aboard to assist you if needed and sign respective documents.

Included in your charter: Bed linen, set of towels, pillows, light quilted blankets, full kitchen equipment, dinghy with oars and outboard, autopilot, GPS plotter, 4 sets of snorkelling gear, Greek Water pilot, map/charts of sailing region, full safety equipment.
